

Katun road- Weekend at katun

Lokve-Džakovica- Mokri do- -Murgaš-Skrobutača-Luke-Kaludarske Kape

The katuns are active from mid- May till min September, when farmers move back to their villages. As in all other katuns, the whole life here is dedicated to caring for cattle and to cheese making. Farmers are friendly and hospitably, and will give you an opportunity to participate in any of the traditional activities that make their everyday life. The food you will eat here is not served in any of the restaurants in Montenegro and it is very tasty and special.

Spit-roasted lamb is a real delicacy!

Besides from the fantastic food here you can try many other activities and services: camping, renting a tent, making a barbecue, hanging by the fireplace, horse riding. You can also recharge your electronic devices, purchase all kind of homemade products such as famous brandy (rakija), woolen socks and vests...
