## Montenegro

Mountain biking is an extreme sport in which the bike ride goes through roads through forests, hills, mountains, vehicular roads, parks, etc .... This sport requires special equipment and bicycles, and capped at a previous knowledge, experience and technology to drive these types of roads. The drive can be either on the mountain, either on a hybrid bike, and a common feature of all mountain bikes is that they have wide tires with studs, wide and reinforced tube frame and suspension on the front forks.

Bijelo Polje is located on the main road Belgrade-Podgorica, connected by railway Belgrade-Bar, making it easily accessible. Surroundings of Bijelo Polje are perfect for cycling, especially mountain, as trails lead through picturesque villages.

### BIJELO POLJE

The program includes:

Bike rental, guides, luggage transfers, accommodation and meals.

This program is designed for lovers of mountain biking, natural attractions. The tour is available from May to October.

#### PROGRAM:

Group meeting and departure via Rasovo, where you take the road to Boljanina i Zminac. Climb to the Zminac and further to Godijevo over Gornji Milani. On the route there are living villages, and the road is paved to rural intersection Boljanina- Zminac where the macadam road starts in the length of 9km. The road partly goes through the forest, on the way there is a natural spring of water, so we do not have to carry large amounts of water. The rise of this share is about 350m. The road comes out near the village school in Godijevo, from where is an asphalt road for a few kilometers, then again 1km dirt road, and the exit to regional road Lozna- Sušica.

After the ascent to Bukvic, you can enjoy a view of the surrounding mountains and the village, the route goes on along the unpaved road to Bistrica, a distance of 13km. The rise of this share is about 250m. Attractive place on this route is Vrh where we can make a short break before descending into the Bistrica of about 600m. Before we continue to Bijelo Polje it is possible to make a break in the village. The route is on asphalt road, a distance of 16km. Optional tour to the monastery Sv. Nikola u Podvrhu which is located 6km from the village in one direction. Return the same way. This section is 5km dirt road, rising to 300m, partly through the woods. This tour can be combined with tours of hiking, if you stay longer in Bijelo Polje.

Length of the trail is about 52km, a total rise of about 800m, total downhill about 900m.
