Road cycling is the most widespread form of cycling and one of the most popular sports in public. This type of cycling takes place primarily on roads, asphalt or concrete surfaces. It is about recreational ride, road cycling as a sport (race) and using a bike for transportation routes. Road cyclists generally follow the same rules and laws as well as the other drivers involved in traffic.

Rijeka Crnojevića is one of the best known and oldest places in Riječka nahija, situated on the river with the same name, which makes a delta in Skadar Lake with the Karučka and the Dodoška rivers. This picturesque place will impress you with its unique ambience and quietness. Enjoyment in visiting this place is enhanced by rich gastronomic offer of authentic fish specialties, thematic walks, and kayak ride.
